The screenshot shows the Dormy Hotels & Resorts official reservation site. At the top, there's a navigation bar with 'dormy hotels & RESORTS' and links for 'dormy inn', 'DOMINISTYLE', and 'Kyoritsu Resort'. There are also links for 'New member registration' and 'Login'. The main search area includes fields for 'Destination/Hotel', 'check-in' (2024/05/07), 'Nights' (1 night), and 'Guests per Room / Number of Rooms' (adult 1 person | 1 room). Below these are filters for 'Search by plan features' with 'Meal in your room' and 'Dinner and breakfast' selected, and a 'brand' dropdown. A 'search' button is highlighted with a red circle and a hand icon. Below the search bar is a progress bar with four steps: '1 Choose a plan', '2 Select hotel', '3 select room', and '4 Reservation confirmation screen'. The 'Choose a plan' section shows 'Plans that meet your requirements 372 subject'. A note states: 'The displayed price is for one adult (tax included). *Accommodation tax and bathing tax will be charged separately depending on the hotel.' Two plan options are visible: 'Standard Tsuki no yado Sara' with a price of '¥34,000~' and 'All-you-can-drink included', and another plan with a price of '¥33,000~' and 'All-you-can-drink included'. Each plan has a 'Plan details' button and a 'Select this plan' button.
